

BLUE DIGITAL DUPLICATOR BPS-550

RELIABLE, FAST & BUILT TO LAST

BPS-550

BPS-550 digital duplicator is a high-speed, cost-effective printing solution designed for offices, schools, and businesses that require bulk document reproduction. It utilizes digital master-making technology to produce high-quality prints at a low per-page cost, making it an efficient alternative to traditional copiers or laser printers for large-volume printing.

Normally 1000 sheets paper-receiving capacity, even can reach 1500 sheets. Paper feeding tray can heap 1500 sheets at once during high-speed printing.

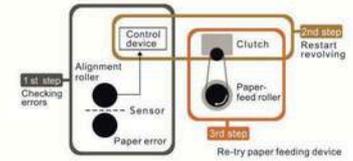

With 150 PPM fast printing speed, BPS-550 realize easy processing even for high-volume printing work. In addition, with multi-shift adjustment switches, BPS-550 adapt to different thickness of paper feeding.

Master eject capacity is easy for 40 sheets.

Precise paper feeding pressure adjustment realizes excellent printing of various paper types, from 40g-210 g/m². Three shifts pressure adjustment from thin paper to thick paper enhances reliability.

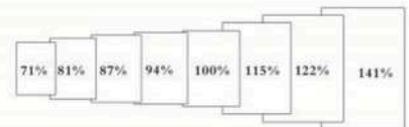

Innovative design of paper feeding by double rollers which is much more stable. Simultaneously feed paper to guarantee one page input only once.

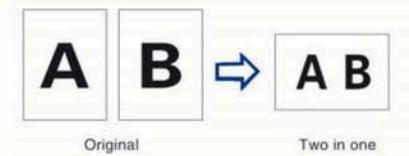

BPS-550 Specification

Operation Mode	Scanner mobile scanning, Thermal master making
Scanning mode	Sheet, Book (Less than 10kg), Two in one, with Computer Interface
First copy time	Approx: 18s
Resolution	600 x 600 dpi (Scanning) 300 dpi x 600 dpi (Printing)
Original size (max)	310mm x 435mm
Paper size	90mm x 150mm - 310mm x 435mm
Paper weight	40gsm - 210gsm
Paper feed capacity	1500 sheets
Paper receiving capacity	1500 sheets
Printing speed	5 selections (50, 70, 85, 105, 150ppm)
Print density adjustment	5 levels (Lighter, light, normal, dark, darker)
Print position adjustment	Horizontal: ± 10mm, Vertical ± 10mm
Master eject	Automatic ejection (40 sheets)
Other function	Book shadow erasure, programmed printing confidential mode, codemode, auto checking original, energy-saving, print contrast adjustment, Ink saving
Rated Input Power	120W
Dimension (D x W x H)	Using: 132*62*61 cm Storage: 66*62*61 cm
Net weight Approx.:	97kg

8 Variable of zoom ratio.

Original

Two in one

5 variable (lighter, light, middle, dark, darker)

Tips: The machine may breakdown using fake or low quality consumables and manufacturer is not responsible for after-sales services. Please use factory's genuine supplies.
